# 90 MINUTES IN HEAVEN

IN THEATERS **SEPTEMBER 11**

**P**astor Don Piper died January 25, 1989 when a semi-tractor truck crushed his car. Declared dead by the first rescue workers to arrive on the scene, Don's body lay under a tarp for the next 90 minutes. Don's soul, meanwhile, was experiencing love, joy, and life like he'd never known before. Don was in Heaven.

When another pastor's prayers helped bring Don back to life, he became a living miracle! Yet this is one miracle Don wished never happened. Heaven's bliss was replaced by excruciating pain and emotional turmoil. With the support and prayers of his beloved Eva, their three kids, and friends near and far, Don clings to his faith in God and fights to regain a semblance of his previous life. The Piper family's incredible true story of perseverance and overcoming the challenges of life—and death—will bring hope and encouragement to all who see it.

Starring Hayden Christensen and Kate Bosworth, **90 MINUTES IN HEAVEN** is based on the inspiring *New York Times* bestseller. Hope Lives in theaters beginning Friday, September 11.

## FROM DON PIPER

“The idea that they made a movie based on my book—and my life—is a little strange. But then again, so is my situation. I was killed in a car wreck in 1989 and I've had to endure some very difficult experiences to be where I am today ... alive!

“That's why I believe God is still in the miracle business. I think He still answers prayer. I believe Heaven is a real place and we can go there. Hopefully, when audiences see this movie, they will find hope. We want to live a better life now, and we long for eternal life some day. That's what we all need: hope.”
